

We have some bold fundraising goals to meet!

Why?

1. The girls have been wearing very tired match kit for several years now (possibly up to 15 years!). We don't even have enough of the right sizes for all of the players to have their own set.
2. A few of our current coaches are understandably stepping back from coaching after so many years of amazing support to Flames. Luckily some parents and friends of the club are stepping up to fill these roles. Although very experienced they will need formal certificates in coaching, as well as possibly training in safeguarding, paediatric first aid, umpiring, DBS checks ... the whole shebang.

How?

What is a Hoopathon you might well ask?!

Well, the players will split into 8 dedicated groups (approx. 5 players in each group) and take it in turns to have 10 shots at goal, then go back to the back of the line before waiting to have another turn. Whilst in line, those not shooting will be twirling a hula-hoop ... whilst wearing fancy dress (but only if the players wish to – no pressure!).

It should be crazy busy and lots of fun! As a club we are hoping to score **400 goals**. Please do sponsor if you can.

Covid mitigation measures will be in place throughout as per the club Covid-19 Risk Assessment.

Player Name: _____

Sponsor Name	Address	Amount per Goal (£)	Total Amount Sponsored (£)	Paid?
		TOTAL:	£	

Thank you so much for supporting us, helping us to keep fit and have fun!

The girls are so keen to help get their new dresses. Before Coronavirus came on the scene, they held a bake sale and raised nearly £200 - a great start - but further bake sales won't be possible at the school in the future.

We do however appreciate that things may have been difficult for many folks during these strange times, please only support this fundraising if you feel comfortable to do so.
