

## **New Flames Netball Kit**

We are very excited that we have taken delivery of our lovely new netball dresses and can't wait to hand them to the players.

After all our hard work in raising the funds to buy the kit we are keen to make sure that it will last for future players too and that we are able to keep track of the kit.

There is a form attached that we would be very grateful if you could complete and send with your daughter to training, along with any old netball kit they may have.

On receipt of the completed form your daughter's new dress will be issued to them. (If you are unable to print the form there will be copies available at training on Friday.)

Although the club makes no charge for the kit, we request that should the dress be lost or damaged you agree to refund the club £30 to replace the dress. The dress should be returned if a player leaves the club and can be returned to be swapped for a larger size if a player has grown out of it.

Please follow the washing instructions shown on the label carefully to ensure the longevity of the dresses.

We recommend that players wear black leggings and a black 'skin' top underneath the dress for matches, it can be very cold on the netball courts.

Finally, we hope you are all pleased with how smart the girls will look, and we will hopefully be arranging for a photographer to come and get some pictures soon. (Details to follow)

## Flames Netball Kit

NAME OF PLAYER.....

TEAM.....

I agree to look after the netball kit allocated to me and return to Flames Netball Club if I leave the club.

I agree to pay Flames Netball Club a replacement fee of £30 if the kit is lost or damaged.
